Class Grading Policy: There will be two midterm exams, each exam counting 1/6 of the final grade. Homework and quizzes will count 1/6 of the grade. The final will count 1/3 of the grade. All will be computed on a point basis. Midterms will be given in the recitation sections; the room for the final exam will be announced in class.

Recitation Homework and Quiz Grade Policy: Of the 1/6 of the grade allotted to homework and quizzes, 30% will be homework and 70% will be quizzes. Each homework assignment is worth 100 points and is graded based on completion. Periodically homework assignments will be also graded on accuracy; students will not be notified in advance which homework assignments will be graded based on accuracy. There will be a quiz every Thursday except the first week of school and any week that has a midterm for a total of 11 quizzes. The two lowest quiz scores will be dropped.
